creek. When the water reached the residence was recognition of the right of their union to book confirmed by set of congress or other 250,000. Zair cic not be eve the amount of of Aaron Ferguson it was swept away with Biotate terms, and they have failed. nine inmates and locged against a bridge where they were afterward rescued. The next camage was at the yard of S. Clark, in which was located a tenement house and occupied by a family named Powell, nine in number. Op to 9 p. m. none of them had been heard from. One lamily by the name of Morris were swept away. The ast seen of them was althe A amistreet bridge, when one was seen at a window by the terror stricken crowe, waving a signific lamp. The next instant the house collapsed and they were gone. On yone, a boy 13 years of age, has been found. The work of incing podies sticontinues. Co-night the mayor's ofbeen turnel into morgue and there are now 22 pocies there. The scenes are heartreiding. Whole families de laic out together. The loss of property is great. Whole umber yards and contents are gone completely. Scenes in the devasiated district are indescribable. Forces of men are busing engaged clearing away and huncreds surround the places. Strangers have begun to pour to the city from every cifrection. The council has appropriated -1000 tor immediate use of buria, of victims and private subscriptions have a reacy reached into thousands. A committee is canvassing the city for clothing and beeding. The rink has been turned into a refuge for the some- difficulties. less, w to are many. At air possible igneeded, from every source.

in accition to those above, to bocaes were found this evening, these of children and not yet identified. The complete numbber of dead whose bodies have been found is 25 with 11 still missing.

THE WIND'S LEARLED POWERS

INDIANAPOLIS, May 11.4 A Journal's Greenfield, inc., special reports that news teached that point from Wi kinson, 45 miles distant, on the Indianapolis, B'oomington & Western, that the storm yesterday blew down a the buildings in town except thirty. Same T. Walte was killed and his wife fatally insured. A boy named Shatter, was also killed and about twenty persons serously nurt. severa of whom will die. The wires are down and direct communication cut off.

THE CYCLON: IN HIL NOIS

DANVILLE, I.I., May 1 h-A cyclone passet over tab county last night, destroying a score of farm houses and cemolisting a caurch and school houses. Joseph Miller and the lafant son of John A. Show were killed. Show himself was fatally injured. The bath of the cyclone was six undes in length and 150 yards.

Spain has a Cyclone

roofs dislocged and telegraph wires everyin some cases, entirely deputed. One church is tower is blown down. A number of houses in the submbs are editirely whecked and many cottages on the outskirts of the capita, bown from their foundations and wrecked. Some were so completely and quickly broken up and scattered, by the wind before the storm. Telegraphic communication has been so completely call off it has been impossible as yet to obtain news from the provinces, but it is believed that the rainwrought by the hurricane is wice spread.

Labor Troubles at Chicago.

Cincxoo, May 11.-No attempt was made to resume operations in the west side himber. cistrict this morning and eight to ten thousand are will icle. Launbermen c.aim, a great mafority 61 men are overawed by Boseman socia ists who intest the region. A large force of police continue stationer in the district to guard against any outbreak. An Extraordinary Sterm.

SANSAS CITY, May 11.-About 10.30 this morning om nous storm couds began gather. ing over the city. They first appeared in the northeast and surging westward across the e ty turnec succen y about in their course and descending rapidly broke upon the city in terrific bursts of wind and rain that swept al lighter objects before them. The carkness was a most Exemignt, and people flee to the nearest she ter and awaited with blanched faces the fury of the tempest. The clouds seemed to graze the roofs of the tempest. The COUCH seemed to crave the roofs of the highest ou dings and boured out their torrents in apparently solid masses for a time. The storer struck the city in full force about 20 minutes. past eleven and

RAGED FOR HALF AN HOUR. The streets were running rivers of water, cars beneath, freight, hown from build aga or swept up by the flood. A number of vehicles were overturned and in numerous instances the drivers spanconec, their horses to their fate and sought refuge in stores and houses. Some ha accompanied the storm, but the far was not great, otherwise the loss to property would have been enormous from water coming in at the proxen windows. As it was, the windows h quite a large number of buildings were bown nanc goods and furniture were water-

DEATH IN THE STORM.

A I this, however, proved entirely insignificant when the full extent of the disaster wrought by the storm became shown. The arge Lathrop school building occupied a prominent site at the corner of Exith and ine via Seca is and Nober y. Main streets, at consister, of the main ou leing, to which a wing had been acceed. The bu .cing was surmounted by a tower which for some time had been considered unsafe. A wounded as far as ascertained at 10 o'clock were lost. har, been twice concemned, once within a lew to-night. weeks, but no action that been taken in the matter. Za s morning the building was
